PARACHUTE ADVANSED DEEP CONDITIONING HOT OIL

Dry rough hair can be difficult to manage. New Parachute Advanced Hot Oil's Deep Conditioning gives hair deep conditioning treatment to make them 3X softer, and smoother.

Deep Conditioning v/s Conditioning

Our researchers at Parachute Advanced Knowledge Center have established that most instant conditioners work only from outside of the hair by making a coating around it. Parachute Advanced Hot Oil is the ultimate in deep conditioning as it penetrates 3 layers deep and makes your hair 3X softer and smoother.

SAFFOLA GOLD

Saffola Gold has fatty acids to help give you a balance of MUFA and PUFA. Saffola Gold comes with Multiseed Technology and Nutri Lock Technology. Nutri Lock Technology protects the natural goodness of the oil and also contains antioxidants like Oryzanol. Oryzanol is known to help manage cholesterol levels. Saffola Gold is a blend of 80% rice bran oil and 20% imported refined safflower oil.

What makes Saffola a product of High Science?

- Multi-seed Technology gives you goodness of two oils in one
- The Nutri Lock Technology protects the natural goodness of the oil
- Losorb Technology ensures a lower absorption of oil in your food
- With Antioxidants: gives you the power of 5 antioxidants

Available in 1 LTR | 2 LTR | 5 LTR

SAFFOLA TOTAL

Saffola Total is a synergistic blend which offers the benefits of Multiseed Technology and Losorb Technology.

Saffola Total is also specifically designed for cooking where oil is heated to high temperatures that leads to the formation of free radicals. The presence of a carefully designed Anti-oxidant technology withstands high temperatures and can prevent the formation of these free radicals, thereby protecting the oil from their ill effects.

Saffola Total also has patented Losorb Technology which ensures that Saffola Total is 10% lower absorbed than olive oil. Saffola Oils are equipped with patented Losorb Technology due to which food cooked in Saffola Oils absorbs lesser oil. Since quantity of oil consumed every day is as important as the right quality of oil you choose for daily cooking, Saffola Total helps you ensure both.

Saffola Total is a blended oil which has the goodness of two oils in one. National Institute of Nutrition (NIN), India also recommends the use of blended oils which use a correct combination/blend of 2 or more vegetable oils to achieve the intake of right kinds of fatty acids. Saffola Total is a synergistic blend of 70% rice bran oil and 30% refined safflower (kardi) oil.

Available in 2 LTR | 5 LTR

SAFFOLA ACTIVE

Saffola Active provides a balance of fatty acids with additional benefits of Omega 3. Omega 3 fatty acids are associated with many health benefits. Additionally, it has the advantage of containing antioxidants such as Oryzanol and Vitamin E. Saffola Active is a unique blend of 80% refined rice bran oil and 20% soybean oil.

Available in 5 LTR

SAFFOLA TASTY

Saffola Tasty provides the benefits of Omega 6 fatty acids. Omega 6 fatty acids are considered to be essential fatty acids. They are necessary for our health and the body can't naturally produce them. Hence, they need to be incorporated in your diet. Saffola Tasty is a blend of 60% refined corn oil and 40% refined rice bran oil and brings you the benefits of both oils.

Available in 5 LTR
