~ MADE IN INDIA ~

As a leading Indian manufacturer and exporter of a range of Ayurvedic hair care products, we are loved by consumers in over 50 countries across Europe, Asia and Africa.

Our flagship brand, Sesa, is over 30 years old. We believe that nature's secrets have great benefits to offer, when suitably nurtured and harnessed. That is why we combine the science of 5000-year-old Ayurveda with modern, best-in-class manufacturing practices to provide the very best of nature for our customers.

Our Ayurvedic product range, Sesa Ayurvedic uses a rare amalgamation of 18 nourishing herbs and 5 essential oils, all boiled together in milk in Sesa's patented process called Kshir Pak Vidhi. With consistent focus on quality and innovation, we are committed to provide superior hair care and personal care solutions to every customer.
