

## Contributing to companion health

“ Where Excellence is  
always the Prescription ”

# About Us

Drools is the No 1 Indian Pet Food brand in the market today. A subsidiary of the IB group and started in the year 2010, Drools has managed to take over a large part of the existing market in the country. Our goal has always been to provide high quality products that are made available to improve your pet's health and longevity. Drools Veterinary Health is a newly launched division of Drools Pet Food Pvt Ltd. We are dedicated to enhancing the health and well being of pets through effective pharmaceutical solutions.

## Mission

"To be the global leader in pet food and pharmaceutical innovation, ensuring the highest standard of health and happiness for pets through excellence, research, and compassionate commitment."

## Vision

At Drools Veterinary Health, our mission is to enhance pet health and well-being through innovative, safe, and effective pharmaceutical solutions, supporting the veterinary community and improving the lives of pets worldwide."
